

# SMOKE-FREE AREAS

The University's Occupational Safety and Health policy on Smoking prohibits smoking in the following places:-

- All University buildings, including substantially enclosed courtyards
- All University vehicles and boats
- Near access points to buildings such as doors, windows and air-conditioning vents
- Major thoroughfares
- Other areas where no-smoking signage is displayed.

If you are a smoker, your cooperation with the above is appreciated in the interest of the safety and well-being of everyone on campus. The full smoking policy is available on the EduSafe Website: [www.edusafe.edu.au](http://www.edusafe.edu.au)

Assistance to 'Quit Smoking' can be arranged by contacting Counselling and Health services.
